Re: Utah Docket No. 10-050-T01, Navajo Communications Company, Inc. filing to introduce Stay Connected Seasonal Service in the Frontier Digital Phone bundles

ISSUE:

Navajo Communications is filing this docket to modify its tariff to include Stay Connected Seasonal Service in the Frontier Digital Phone bundles. This change appears in Section 8 under Rates and Charges and Conditions for each of the three bundled services. The Stay Connected service allows the customer to suspend the Frontier Digital Phone Service while they are away, a minimum of one month and up to nine months during a 12 month period.

RECOMMENDATION:

The Division has reviewed this modification for any rate increase to base rates that would require a rate hearing and has found none. The Division therefore recommends that the Commission approve this modification in Navajo Communications' General Exchange Tariff to go into effect April 30, 2010.
