**Re: Utah Docket No. 10-050-T04, Navajo Communications Company, Inc. filing to introduce three new bundled Services to residential customers.**

**ISSUE:**

Navajo Communications is filing this docket to modify its tariff to introduce three new residential bundles called Frontier Digital Phone State with Essentials 1 Service, Frontier Digital Phone Nationwide with Essentials 1 Service and Frontier Digital Phone Nationwide Extra with Essentials 1 Service.

This change appears in Section 8 under Bundled Services.

**RECOMMENDATION:**

The Division has reviewed this modification for any rate increase to base rates that would require a rate hearing and has found none. The Division therefore recommends that the Commission approve this modification in Navajo Communications' tariff and have it become effective October 4, 2010.
