In the Matter of the South Central Utah)
Telephone Association, Inc.'s Notice of Intent) DOCKET NO. 10-052-01
to File an Application for Additional USF)
Eligibility) ORDER VACATING SCHEDULING
) ORDER

ISSUED: April 14, 2011

By The Commission:

The Commission issued a scheduling order on or about December 21, 2010. The parties requested suspension of the schedule as to the testimony due April 14, 2011. The parties did not believe that submission of testimony at this time would aid the development of issues in this case. The parties also anticipated that a revised stipulation would be filed no later than April 22, 2011. The Commission strikes the filing of testimony on April 14, 2011.

Given the Division's recommendation of March 1, 2011 generally suggesting that issues raised by the Commission in this docket have greater application than to this docket, the Commission also suspends the remaining dates and deadlines in the December 21, 2010 Scheduling Order. The Commission will re-schedule those dates after submission of the revised stipulation, or set a scheduling conference.

DATED at Salt Lake City, Utah, this 14th day of April, 2011.
