Re: American Fiber Network, Inc.'s Discontinuance of Service in Utah

Dear Sir or Madam:

This letter will serve as formal notice that American Fiber Network, Inc. ("AFN") will discontinue its provision of all services, including local, long distance, Internet, VoIP, and payphone services, in Utah on February 10, 2011.

AFN is in the process of exiting the industry and, as such, no longer plans to provide any services in Utah. As a result, AFN must discontinue service to the remainder of its customers in the State.

Until chosen as the replacement provider of the above services, telecommunications corporations receiving notices under R746-350-3.B.3 of the Utah Administrative Code may not use information contained in the notices to initiate marketing efforts unless the information is first made available to other telecommunications corporations for their marketing efforts as well.

If you have any questions regarding the information above, please contact AFN:
