NOTICE AND ATTESTATION

My name is David J. Robinson and I am Regulatory Affairs Director of Syniverse Technologies, Inc. (Syniverse)

I swear or affirm that I have personal knowledge of the facts stated in the Notice and Attestation, that I am competent to testify to them, and that I have the authority to make this Application on behalf of Syniverse. I swear or affirm that Syniverse Technologies serves no (zero) customers, operates no (zero) phone numbers and derives no (zero) revenue from intrastate telecommunication services in the State of Utah.

On February 20, 2004, in Docket No. 03-2415-01, the Public Service Commission of Utah approved TSI Telecommunications Network Services, Inc.'s application for a Certificate of Public Convenience and Necessity ("Certificate") authorizing TSI to provide public telecommunications services within the state of Utah. TSI has since changed its name to Syniverse.

Syniverse has made the business decision not to be a competitive telecommunications carrier or pursue customers in Utah. For these reasons, Syniverse respectfully requests that our Certificate and associated authority to offer competitive telecommunications services within the State of Utah be cancelled and any associated tariffs withdrawn 30 days after the Commission's receipt of this Notice.

Further affiant sayeth naught,

Respectfully submitted this 20th day of May, 2010.
