RE: SBC Long Distance, LLC (d/b/a SBC Long Distance d/b/a AT&T Long Distance) Local Exchange Services Tariff, Utah P.S.C. Price List No. 7 and Intrastate Access Services Tariff, Utah P.S.C. Price List No. 8

Dear Mr. Commissioners:

On September 24, 2010, SBC Long Distance, LLC (SBCLD) filed an application to cancel its CLEC certificate in Utah because it no longer had any local voice or local data customers. In its application, SBCLD requested to take down its price lists concurrent with the cancellation of its certificate. SBCLD continues to offer and provide long distance voice and data services to customers in Utah. On October 26, 2010, the Utah Commission issued an Order cancelling SBCLD's CLEC Certification.

This original letter, two copies of this letter, and an electronic copy of this letter (on CD) are submitted as notice to the Commission that SBCLD understands that the SBC Long Distance Local Exchange Services Tariff, Utah P.S.C. Price List No. 7 and the SBC Long Distance Intrastate Access Services Tariff, Utah P.S.C. Price List No. 8 are withdrawn and cancelled in their entirety pursuant to Docket No. 10-2427-01, Order Cancelling CPCN 2427.

Please contact me if you have any further questions or concerns.

Sincerely,

Richard T. Howell
