Re: In the Matter of Virgin Mobile USA, L.P. Petition for Limited Designation as an Eligible Telecommunications Carrier per Docket No. 10-2521-01.

RECOMMENDATION:

The Commission should acknowledge the proposed changes in minutes to Virgin Mobile USA, L.P.'s ("Virgin") Lifeline offerings in the State of Utah.

BACKGROUND:

On September 2, 2015 Virgin filed with the Commission notification of changes to their existing lifeline program. As indicated by Virgin in the Petition, the Commission's order required notification when changes were being made to the existing offerings. As contemplated by the order, Virgin is filing the notification with the Commission.

The Commission should acknowledge receipt of the notification and allow the effective date to be September 4, 2015 as indicated by Sprint.
