Re: *In the Matter of Virgin Mobile USA, L.P. Petition for Limited Designation as an Eligible Telecommunications Carrier (Change in Lifeline Offering); Docket No. 10-2521-01*

Dear Ms. Ohta,

The Public Service Commission of Utah (PSC) reviewed the November 13, 2020 filing by Assurance Wireless USA, L.P. (“Assurance”)¹ of an update to its Lifeline service offering. Assurance’s filing explains it is offering a limited time promotional offer of 11.75 GB of broadband data, free of charge along with unlimited texting and 1,400 domestic voice minutes of use per month. The PSC also reviewed the November 17, 2020 action request response filed by the Division of Public Utilities (DPU). DPU recommends the PSC acknowledge Assurance’s proposed changes to its Lifeline offering in the State of Utah.

Based on the PSC’s review of the filing and DPU’s response, the PSC acknowledges receiving the notice of changes to Assurance’s Lifeline service offering as described in its November 13, 2020 filing.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
