Re: **Docket No. 10-2521-01**, NOTICE OF LIFELINE RATE CHANGES for Virgin Mobile USA, L.P. for Limited Designation as an Eligible Telecommunications Carrier (Approve).

Recommendation (Approve)

The Commission should acknowledge the proposed changes to Assurance Wireless USA, L.P.'s ("Assurance Wireless") Lifeline offerings in the State of Utah.

Background

On January 6, 2021 Assurance Wireless filed with the Commission notification of changes to its existing lifeline program. As contemplated by the order granting ETC status, Assurance Wireless is filing the notification with the Commission of changes to its existing plan. The changes are in accordance to the Federal Communications Commission's minimum service standards. The Commission should acknowledge receipt of the notification and allow the effective date to be January 15, 2021.
