Re: **Docket No. 10-2521-01**, NOTICE OF LIFELINE RATE CHANGES for Virgin Mobile USA, L.P. for Limited Designation as an Eligible Telecommunications Carrier (Approve).

Recommendation (Approve)

The Commission should acknowledge the proposed changes to Assurance Wireless USA, L.P.'s ("Assurance Wireless") Lifeline offerings in the State of Utah.

Background

On July 6, 2021, Assurance Wireless filed with the Commission notification of changes to its existing lifeline program. With the proposed changes, customers will get 400 additional minutes of service and 4.5 GB of data at no additional cost. The Commission should acknowledge receipt of the notification and allow the effective date to be July 15, 2021.
