Re: In the Matter of Virgin Mobile USA, L.P. Petition for Limited Designation as an Eligible Telecommunications Carrier (Change in Lifeline Offering); Docket No. 10-2521-01

Dear Ms. Ohta,

The Public Service Commission (PSC) reviewed the July 6, 2021 filing by Assurance Wireless USA, L.P. (“Assurance”) of an update to its Lifeline service offering. Assurance will no longer offer a voice only offering, rather existing voice only customers will be transitioned to Assurance’s bundled Lifeline offering to include unlimited text, 1,400 voice minutes, and 4.5 GB of data per month. The PSC also reviewed the July 7, 2021 action request response filed by the Division of Public Utilities (DPU). DPU recommends the PSC acknowledge Assurance’s proposed changes to its Lifeline offering and allow the effective date to be July 15, 2021.

Based on the PSC’s review of the filing and DPU’s response, the PSC acknowledges receiving Assurance’s notice of changes to its Lifeline service offering as described in its July 6, 2021 filing.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
