Re: *Docket No. 10-2521-01: Petition of Virgin Mobile USA, L.P.
for Limited Designation as an Eligible Telecommunications Carrier*

Dear Ms. Orchard:

Enclosed for filing in the above-captioned proceeding, please find an original and five (5) copies of the Supplemental Testimony of Virgin Mobile USA, L.P. ("Virgin Mobile"), which includes the Highly-Confidential version and a Public version, along with a certificate of service.

Virgin Mobile hereby requests, pursuant to Utah Admin. Code R746-100-16, that certain portions of the enclosed Supplemental Testimony be accorded confidential treatment by the Utah Public Service Commission (the "Commission"). Virgin Mobile asserts that the redacted portions of its Supplemental Testimony contain highly-sensitive proprietary information, that is not publicly available, regarding the limited role of Solix, Inc. in assisting Virgin Mobile with the Lifeline program. Accordingly, I am submitting the pages of the Supplemental Testimony that contain highly-sensitive information on pink-colored paper, labeling it "HIGHLY CONFIDENTIAL – SUBJECT TO RULE 746-100-16" and submitting it in a separate sealed envelope. Prior to any attempt at public disclosure of this information, I respectfully request that the Commission provide me with notice and an opportunity to protect the interests of Virgin Mobile in preventing the information from disclosure.

Virgin Mobile appreciates the Commission's cooperation in protecting this highly-sensitive information. Should you have any questions regarding the enclosed Supplemental Testimony or this request for confidential treatment, please contact me.

Respectfully submitted,

Sharon M. Bertelsen
Counsel to Virgin Mobile USA, L.P.
