Paul M. Anderson, Utility Technical Consultant

**RE: Docket No. 11-041-T04 Citizens Telecommunications Company of Utah d/b/a Frontier Communications of Utah filing to introduce Frontier Business Nationwide Unlimited II and Frontier Business Local Unlimited II bundled services. It also is amending this filing to correct typographical errors on two of its proposed tariff pages.**

**ISSUE:**

On May 25, 2011 Citizens Telecommunications Company (Citizens) filed this addition to its existing tariff, to introduce Frontier Business Nationwide Unlimited II and Frontier Business Local Unlimited II bundled services. On June 9, 2011 it submitted an amended filing to correct typographical errors on two of its proposed tariff pages to change the word filled to the word billed on sheets No. 99 and No. 101.

**RECOMMENDATION: Approve Tariff Modification**

The Division has reviewed this modification and amended modification for any rate increase to base rates that would require a rate hearing and has found none. The Division also agrees with the correction of the typographical errors on pages 99 and 101.

The Division therefore recommends that the tariff be approved and that this filing become effective on July 1, 2011.
