

DEFINITIONS (Continued)

Telephone Station

A suitable telephone instrument, consisting of a transmitter, receiver, and associated apparatus, so connected as to permit transmitting of and receiving telephone messages.

Tie Trunk

A circuit connecting two P.B.X. systems for the purpose of intercommunicating between the stations connected with such P.B.X. switching apparatus. The circuit is not intended to provide for general exchange service through either of the P.B.X. systems with which it connects.

Toll Message

A message from a calling station to a station located in a different local service area.

Toll Service

Telephone service rendered by the Company between patrons in different local service areas in accordance, with the rates and regulations specified in the Company's Toll Tariff.

Trunk

A telephone communication channel between (a) two ranks of switching equipment in the same central office, (b) between central office units in the same switching center, or (c) between two switching centers.

| Individual Access Line | \$ 16.50 | \$ 26.00 | (I) |
| Extended Area Service (EAS) | \$.75 | \$.75 | (R) |

Other:

| | | | |
|---------------------------|--|------------------------------|-----|
| Key System | | Business Access Line Rate | (D) |
| Centrex 21-A Station Line | | Business Access Line Rate | |
| PABX Trunks | | \$ 36.00 | |
| DSL Line Charge | | \$ 5.00 | |

CONDITIONS

The above rates apply to the provision of network access lines which, when connected to a suitable telephone instrument, provides access to the telephone network.

Instruments must be provided by the subscriber, subject to the conditions described in the Connection With Subscriber-Owned Equipment portion of this tariff.

Additional instruments may be attached to network access lines. The Company reserves the right to limit the number of instruments connected to an access line if they cause interference with the normal operation of the line.

Business Rates Apply:

At any location where activities are of a business, trade, or professional nature.

At any location where the listing, promoting, or advertising of service at that location indicates a business, trade, or profession.

When service is furnished at a location used primarily for business purposes.

When the directory listing is to be a business listing.

When the service is provided to or through a reseller of local exchange service.

NETWORK ACCESS LINE SERVICE (Continued)

Residence Rates Apply:

When service is furnished at a location used primarily for domestic purposes.

Where business listings are not provided.

Residence service will be allowed for individual rooms at group homes e.g., fraternities, sororities, patient rooms at retirement homes, boarding houses when service to the rooms is not provided through a reseller of local exchange service, if the listing is in an individual's name.

Residence service will be allowed in church living quarters and the clergyperson's private study if the listing is in an individual's name.

When the directory listing is to be a residential listing. A residence service may not have a business directory listing.

A residence service may not be part of a hunting sequence that contains business lines.

Extended Area Service:

Extended Area Service (EAS) is a wireline service that will be provided between the NXX's as listed below:

| EAS | | MANTI NXX'S | |
