Re: Agreement filing in the Matter of the Qwest Local Services Platform ("QLSP") Interconnection Agreement between Qwest Corporation and MCI metro Access Transmission Services, Inc. per Docket No. 11-049-06.

RECOMMENDATION (acknowledge):

The Division recommends that the Commission acknowledge the receipt of this Qwest Local Services Platform ("QLSP") Interconnection Agreement.

EXPLANATION:

On January 19, 2011, Qwest Corporation ("Qwest") filed the Qwest Local Services Platform ("QLSP") Interconnection Agreement per the above-referenced docket in accordance with § 54-8b-2.2(1) (d) of the *Utah Code*. This Agreement had been fully executed through voluntary negotiations on December 16, 2010 with MCI metro Access Transmission Services, Inc. ("MCI metro"). MCI metro's Certificate of Public Convenience and Necessity was approved by the Commission on January 29, 1997 in Docket No. 96-095-02.

The Division has reviewed the above-mentioned Agreement between Qwest Corporation and MCI metro and sees no reason to reject it. Specifically, the Division believes that the Agreement was negotiated in good faith and without unfair discrimination. Both parties also recognize that, to the extent that the existing rules are changed, vacated, dismissed, stayed or modified, this Agreement and all contracts adopting all or part of this Agreement will be amended to reflect such modification or change of the existing rules. Therefore, the Division recommends that the Commission acknowledge the receipt of this Interconnection Agreement.
