**Re: Case Nos. 11-22075-01 and 11-22077-01; Joint Application of DSLnet Communications, LLC, and DIECA Communications, Inc. Concerning Certain *Pro Forma* Intra-Corporate Transactions -- CONSUMMATION NOTICE AND REQUEST TO CANCEL AUTHORITY**

Dear Ms. Orchard:

DIECA Communications, Inc. d/b/a Covad Communications Company ("DIECA"), on its own behalf and as successor in interest to DSLnet Communications, LLC ("DSLnet," and together with DIECA, the "Parties"), notify the Public Service Commission ("Commission") that on December 31, 2011, DSLnet and DIECA completed a *pro forma* transaction whereby DSLnet merged with and into DIECA with DIECA surviving the merger.<sup>1</sup>

As a result of the *pro forma* transaction, DSLnet no longer exists as a separate entity, no longer offers services in Utah and therefore no longer requires its authorizations. As such, the Parties hereby request that the Commission cancel DSLnet's authorizations to provide intrastate telecommunications and rescind any and all tariffs on file with the Commission. In Utah, DSLnet is authorized to provide competitive local exchange service and interexchange service pursuant to a Certificate issued by the Commission in Docket No. 99-2275-01 on July 14, 1999. Because DSLnet does not serve any intrastate telecommunications customers in Utah, the Company respectfully submits that the surrender of its authorizations is reasonable and necessary and will not be disruptive to the present or future public interest, convenience and necessity. DSLnet also requests that its bond obligation (\$100,000) be formally released.

The original and eight (8) copies of this letter are enclosed for filing. For any outstanding DSLnet regulatory obligations or if you have any questions, please do not hesitate to contact the undersigned.

Sincerely,

Katherine K. Mudge

<sup>1</sup> The Commission approved the Joint Application on December 5, 2011.
