-----  
ISSUED: November 29, 2011

By The Commission:

This matter is before the Commission on the Joint Application of 360networks Corporation (“360-Parent”), 360networks (USA) Inc. (“360networks”) and Zayo Group, LLC (“Zayo), (collectively, “Applicants”) for Commission approval to complete a transaction involving the transfer of indirect control of 360networks to Zayo. Applicants filed a joint application on October 7, 2011 and requested expedited review and action. The application contains all the information required by Utah Admin. Code R746-349-7(A)(1).

On October 25, 2011, the Division of Public Utilities (the “Division”) submitted a recommendation to approve the application. Pursuant to Utah Admin. Code R746-349-7(A)(2), the Commission issued a public notice of the application on October 27, 2011, allowing for the submission of comments within 14 days by any interested party regarding the application. No comments or objections were received.

Pursuant to Utah Admin. Code R746-349-7(A)(2), the administrative law judge for the Commission held a hearing on November 22, 2011. No one appeared at the hearing objecting to the application. William Evans appeared on behalf of the Applicants. Brett Ferenchek, Michel Singer Nelson, and Peter Chevalier, appeared telephonically on behalf of the Applicants. Dahnelle Burton-Lee, Assistant Attorney General, appeared for the Division, and she was accompanied by Ron Slusher, utility technical consultant for the Division.

The ALJ took administrative notice of both the application and recommendation filed by the Division recommending approval. The Applicants emphasized that the application is unopposed and, therefore, it should be presumed to be in the public interest and reviewed informally. The Division recommended approval of the application as in the public interest.

Under Utah Admin. Code R746-349-7, “[i]f no objection to the proposed transaction is submitted in any filed comments or reply comments, the Commission will presume that approval of the transaction is in the public interest and use the information contained in the application and accompanying documents as evidence to support a Commission order.” Utah Admin. Code R746-349-7(A)(3). Because there is no objection to the granting of the application, the Commission presumes the application for approval of transfer of indirect control is in the public interest. Moreover, the Division’s memorandum provides additional support for approval of the application.
