

Attachment 1(a)

- A. 1) Teltrust Corporation is a Nevada Corporation which processes and bills operator type calls, such as “collect” and “credit card” billed calls. Teltrust was incorporated in 2006 and is currently a CLEC in Oregon, Montana and Seattle. Gary Buehner is the CEO of Teltrust and has over 25 years of telecommunications experience. Prior to Teltrust, Gary was President of GWB, Inc. a successful pay telephone company in the state of Utah from 1987 to 2005 when the company was sold. Alfred Nurnberger is the CTO of Teltrust and has over 25 years of telecom experience in programming and building telecom switch based facilities.
- 2) Teltrust would like to request a waiver for this requirement since we will and does not take customer deposits. All services are provided by Teltrust and then billed to the customer.
- 3) We will use incumbent local exchange and no one else; however, will not be reselling the incumbent’s services.
- 4)     a. Business/Residential  
       b. Salt Lake City  
       c. Local and Long Distance Telephone Service
- 5) Interconnection to Ilec (qwest)
- 6) The implementation for local exchange service for residential and business customers will begin June 1<sup>st</sup>, 2011
- 7) Gary Buehner graduated from the University of Utah with a B.S. degree in Finance and later received a Master’s degree in Business Administration. Alfred Nurnberger received his Master’s degree in Computer Science Engineering in Austria.
- 8)     Gary Buehner CEO (Chief Executive Officer)  
       Alfred Nurnberger CTO (Chief Technical Officer)  
       Catherine Rivera HR/Operations Manager
- 9)     Chase Bank  
       (801) 481-5240  
       Account #: 717937239  
       Business Checking Account
- 15) It is in the Public’s interest for Teltrust to provide telecommunication services in Utah, because we provide affordable, reliable, and accessible telecommunication services.
