Utah) PROCEEDINGS AND SCHEDULE

ISSUED: February 22, 2012

By The Commission:

On February 16, 2012, the Office of Consumer Services (“Office”) filed a motion to stay all proceedings and schedules for testimony and hearings in the above dockets. The Office also requested the stay not apply to pending or future discovery. The motion is based upon a Federal Communications Commission filing requirement pertaining to forbearance from facilities-based requirements for Lifeline-only ETCs.

On February 16, 2012, the Division of Public Utilities (“Division”) filed a memo agreeing with the Office’s motion for a stay. URTA and the Salt Lake Community Action Program also filed responses noting they do not oppose the Office’s motion. US Connect LLC and Q Link Wireless LLC (collectively, “Applicants”) notified the Commission on February 22, 2012 that they, likewise, do not oppose the pending motion.

Given that the Office’s motion is unopposed and for other good cause appearing, the Commission hereby enters a stay of the proceedings and schedule. The stay does not apply to pending or future discovery. If, at a future date, the Applicants or another party believes
