RE: Qwest PAP Report - Refiling to reflect new Commission Administrator name

Dear Mr. Widerburg:

Attached are the January payments for the Utah Performance Assurance Plan (PAP) based on November 2011 performance.

We reran the months of August-October 2011 to correct the identification of unbundled analog loop and unbundled loop conditioning products and to remove data from non-impaired wire centers for the unbundled DS1 and unbundled EEL products.

Please let me know if you have any questions about this information.

Sincerely,

A handwritten signature in black ink that reads "Wayne Kobberwing".

For James B. Farr
