**RE: Docket No. 12-050-T03 Navajo Communications Company filing to clarify the effective date of the Federal Lifeline Credit and modify the Lifeline qualifications in compliance with the FCC Docket No. FCC-12-11, Lifeline Reform Order.**

**ISSUE:**

Navajo Communications is filing this docket to modify its tariff to clarify the effective date of the Federal Lifeline Credit and modify the Lifeline qualifications in compliance with the FCC Docket No. FCC-12-11, Lifeline Reform Order.

This change appears in Section 4 under Exchange Telephone Service.

**RECOMMENDATION: Approve Tariff Modification**

The Division has reviewed this modification for any rate increase to base rates that would require a rate hearing and has found none. The Division therefore recommends that the Commission approve this modification in Navajo Communications' tariff and have it become effective August 1, 2012.
