RE: Docket No. 12-2180-T02 All West Communications, Inc. filing to revise tariff language and rates as required in the FCC's November 18, 2011 Report and Order and Further Notice of Proposed Rulemaking in WC Docket Nos. 10-90, etc (FCC 11-161).

ISSUE:

All West Communications (All West) is filing this modification to its existing Access Service Tariff, to implement the first step in transitional intrastate access service rate reductions as mandated in the Federal Communications Commission's November 18, 2011 Report and Order and Further Notice of Proposed Rulemaking in WC Docket Nos. 10-90, etc. (FCC 11-161).

RECOMMENDATION: Approve Tariff Modification

The Division reviewed the results of the tariff calculations for the required access revenue reduction which was targeted to the Terminating Local Transport Terminating rate element and determined that it was reduced to appropriate rate.

The Division agrees that this Tariff change is filed in compliance to the above mentioned FCC Order 11-161, supports this change and recommends that the tariff be approved and become effective on July 1, 2012.
