Judge Reif,

We were disappointed to see your email regarding the technical conference. We believe that the issues raised by Mr. Del Sesto below are the precise type of questions that are best addressed in a Technical conference. The customer in Price that Carbon/Emery Telcom, Inc. is referring to is Parkway Dental, Telephone number (435) 472-5556. We would like to better understand 8x8's service and the way calls are routed by 8x8 because we believe 8x8 is providing local service. We believe a technical conference would best serve all parties.
