Re: In the Matter of the Application of Chase Com d/b/a GoConference, to cancel their Certificate of Public Convenience and Necessity to provide Local Exchange Services in the State of Utah Docket No. 12-2453-01.

RECOMMENDATION (Approval):

The Division has reviewed the request by Chase Com d/b/a GoConference to have their Certificate of Public Convenience and Necessity to provide Local Exchange Services in the State of Utah cancelled and recommends the Commission grant this request.

EXPLANATION:

On or about August 13, 2012, Chase Com d/b/a GoConference filed with the Commission a request to have their Certificate of Public Convenience and Necessity cancelled. The Division has reviewed this request and found the following:

Com d/b/a GoConference was issued a Certificate to provide telecommunications services in Utah on July 13, 2005 in Docket No. 05-2453-01. Their business license expired in 2011 for failure to renew and our records show they have not had any business revenue in the State of Utah for the past three years.
