Re: *Petition of Telrite Corporation d/b/a Life Wireless for Limited Designation as an Eligible Telecommunications Carrier*; Docket No. 12-2553-01

Dear Ms. Berlin,

The Public Service Commission (PSC) reviewed the letter filed March 14, 2024 ("Filing") by Telrite Corporation d/b/a Life Wireless ("Telrite"). The Filing gives notice of an update to Telrite's service offering. Specifically, qualified subscribers can now receive unlimited voice, texts, and 5GB of data and unlimited multimedia messaging service.

The PSC also reviewed the March 18, 2024 comments filed by the Division of Public Utilities (DPU). DPU recommends the PSC acknowledge the Filing. DPU comments that Telrite is required to notify the PSC of any changes to its service offerings under a stipulation approved by the PSC in an order designating Telrite as an Eligible Telecommunications Carrier in Docket No. 12-2553-01, and sees no reason to deny Telrite's proposed changes.

Based on the PSC's review of the Filing and on DPU's comments and recommendation, the PSC acknowledges receiving the notice described in Telrite's Filing.

Sincerely,

/s/ Gary L. Widerburg  
PSC Secretary
