Bill Duncan, Telecommunications / Water Manager  
Casey J. Coleman, Utility Technical Consultant

**Date:** June 24, 2013

**Re:** In the Matter of the Application of Budget Prepaid, Inc. for Designation as an Eligible Telecommunications Carrier in the State of Utah per Docket No. 12-2554-01.

---

**BACKGROUND:**

On November 26, 2012 the Commission issued an Order accepting the stipulation filed by the Division, Office of Consumer Services, and Budget PrePay. This order allowed Budget PrePay to become a wireless ETC in the State of Utah. One criteria of the Stipulation filed was to file with the Commission any changes to the plans being offered.

Budget Prepay is filing the changes as required by the Stipulation. The changes are for information purposes only, therefore the Commission does not need to take any further action with this filing.
