Attorneys for Blue Jay Wireless, LLC

BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

Petition of Blue Jay Wireless, LLC)	
For Designation as an Eligible)	Docket No. 12-2559-01
Telecommunications Carrier for the)	
Purpose of Offering Lifeline Service)	Response to Office of Consumer
on a Wireless Basis)	Services First Data Request

**Response to
Office of Consumer Services First Data Request**

February 20, 2013

- 1.1 Please provide copies of all Blue Jay Wireless, LLC responses to data requests submitted by all parties in this docket. Please include both formal and informal requests and responses.

Response: Blue Jay has not previously submitted responses to data requests from any party in this docket, either formally or informally.

- 1.2 Please refer to the Direct Testimony of David Wareikis, page 13, lines 260 through 276. Mr. Wareikis describes two **prepaid** plans that will be available for Lifeline customers.

- a. What is the charge to lifeline customers for the 125 anytime prepaid minutes per month plan?
- b. What is the charge to lifeline customers for the 250 anytime prepaid minutes per month plan?

Response: All of Blue Jay's wireless service offerings are prepaid; however, for Lifeline customers, following application of the federal discount, there will be no charge for the wireless service.

- 1.3 Please refer to the Company's petition at page 8. The Company will allow low-income customers to add affordable data usage to their **free** voice/text minutes..... Does **free** voice/text minutes refer to the 125 and 250 minutes from the plans in 1.2 above? If those plans are not free please describe the free voice/text minutes from that reference.

Response: The reference to "free" voice/text minutes does refer to the 125 and 250 lifeline plans. As explained in the preceding response, following application of the federal Lifeline discount, these service plans are available at no charge to Lifeline customers for the wireless service.

- 1.4 Please refer to page 7 of the Company's petition. The last paragraph reads: "For both plans, customer service (611) and emergency (911) calls will be free..... Since four plans are described in the preceding paragraphs, which plans does "both plans" refer to? Should all four plans be included in these benefits?"

Response: Blue Jay regrets the lack of clarity in this language in its petition. Blue Jay was referring to the two types of plans, tribal and non-tribal for which there are two different minute plans each. As more clearly stated in the Direct Testimony of David Wareikis, page 14, lines 284 through 287 and in the service descriptions on the Company's website (<http://www.bluejaywireless.com/our-plans/>), calls to customer service (611) and emergency (911) will be free and available to all Blue Jay customers regardless of service activation or available minutes and will not count against available minutes. This is true for all four of Blue Jay's Lifeline plans.
