Re: Notice of Modification to the Lifeline Service Offering of Blue Jay Wireless, LLC in Utah; Docket No. 12-2559-01

Dear Mr. Widerburg:

Blue Jay Wireless, LLC (“Blue Jay”) has been designated by the Utah Public Service Commission as an Eligible Telecommunications Carrier for provision of wireless Lifeline services.¹ In its application, Blue Jay stated that it would provide, among others, the following basic Lifeline package in Utah: 250 anytime prepaid minutes per month, without rollover and with text messaging assessed at a rate of 1 minute per text message for sending and one minute per text message for receiving text messages, at no charge.

Due to market considerations, Blue Jay has decided to modify its Lifeline offering with respect to the 250 minute plan so that subscribers will receive 250 text messages *in addition to* 250 voice minutes. Text message usage will not affect a subscriber’s voice minutes. A revised Utah-specific fact sheet reflecting this change is enclosed with this notice. Blue Jay’s marketing of the modified plan will be implemented consistent with any necessary state notices and regulatory approvals. In accordance with the Order granting Blue Jay’s ETC application, it is the Company’s understanding that no further notice or approval is required from the Commission in connection with this modification.

Please contact the undersigned at (801) 426-2100 if you have any questions.

¹ *In the Matter of the Petition of Blue Jay Wireless, LLC for Designation as an Eligible Telecommunications Carrier for the Purpose of Offering Lifeline Service on a Wireless Basis*, Docket No. 12-2559-01, Order Approving Settlement Stipulation (issued May 20, 2013).

Respectfully submitted,

KIRTON McCONKIE
