**RE: Central Utah Telephone, Inc. submits for approval a revised tariff that grandfathers the Emergency Line Service offering. Docket No. 13-040-T01**

**ISSUE:**

Central Utah Telephone submits for approval a revised tariff that grandfathers the Emergency Line Service offering. The existing emergency line service will not be available to new service customers.

**RECOMMENDATION:**

The Division has reviewed this modification for any rate increase to base rates that would require a rate hearing and has found none. The Division therefore recommends that the Commission approve this modification in Central Utah Telephone's Exchange Tariff to go into effect June 1, 2013.
