RE: Qwest Utah Performance Assurance Plan Compliance Filing Docket No.13-049-15

Dear Mr. Widerburg:

We have discovered a discrepancy in our March filing. Two preliminary February PAP payment reports were included instead of the final January reports that should have been sent. Enclosed are the correct files:

Confidential Reports:

P271_PAP_SUMST_UT_Jan2014Confidential.xls - Individual CLEC payment report for payment-eligible PIDs with payments

Non-confidential Reports:

P271_pap_summary_UT_jan2014.xls - State aggregate payment report

Both the confidential and non-confidential report are included on the enclosed CDs. Use of the CenturyLink Confidential Information is restricted per Utah Public Service Commission Rule R746-100-15.

Please let me know if you have any questions about this information.

Sincerely,

Regulatory Operations Manager
