Re: Wireless Use Program (Docket No. 95-049-35 and Docket No. 99-049-41)

Dear Mr. Widerburg:

Attached is some background information regarding the Wireless Use Program that was first implemented by U S West during December, 1995. Qwest Corporation dba CenturyLink QC (CenturyLink) discontinued the program in 2010, but recently determined that it should have notified the Utah Public Service Commission of its intentions to discontinue the program prior to its discontinuance. The company now respectfully requests permission to discontinue the program.

Sincerely,

cc Bill Duncan - Utah Division of Public Utilities
Michele Beck - Office of Consumer Services.
