**RECOMMENDATION (Acknowledge):**

The Division recommends that the Commission acknowledge the receipt of this Amended Interconnection Agreement.

**EXPLANATION:**

On or about October 08, 2013, Qwest Corporation d/b/a CenturyLink QC (“CenturyLink”) filed the Amended Interconnection Agreement per the above-referenced docket in accordance with § 54-8b-2.2(1) (d) of the *Utah Code*. This Agreement had been fully executed through voluntary negotiations on October 01, 2013 with Global Crossing Local Services, Inc. (“Global Crossing”).

The Division has reviewed the above-mentioned Agreement between CenturyLink and Global Crossing and sees no reason to reject it. Specifically, the Division believes that the Agreement was negotiated in good faith and without unfair discrimination. Both parties also recognize that, to the extent that the existing rules are changed, vacated, dismissed, stayed or modified, this Agreement and all contracts adopting all or part of this Agreement will be amended to reflect such modification or change of the existing rules. Therefore, the Division recommends that the Commission acknowledge the receipt of this Amended Interconnection Agreement.
