RE: Bear Lake Communications, Inc. submits for approval a revised tariff that grandfathers the Emergency Line Service offering. Docket No. 13-2201-T01

ISSUE:

Bear Lake Communications submits for approval a revised tariff that grandfathers the Emergency Line Service offering. The existing emergency line service will not be available to new service customers.

RECOMMENDATION:

The Division has reviewed this modification for any rate increase to base rates that would require a rate hearing and has found none. The Division therefore recommends that the Commission approve this modification in Bear Lake's Exchange Tariff to go into effect June 1, 2013.
