Re: Second Amended Advice Letter—Bear Lake Communications, Inc./Tariff  
Filing, Docket 13-2201-T01

To the Commission:

In accordance with R746-405 of the Public Service Commission's Rules, Bear Lake Communications, Inc. ("Bear Lake") hereby files the original and five (5) copies of the following Tariff Sheet of Bear Lake's Local Tariff on file with the Commission:

1. 2<sup>nd</sup> Revised Tariff Sheet No. 29.1, canceling 1<sup>st</sup> Revised Sheet No. 29.1

On August 8, 2013, the Public Service Commission (the "Commission") issued an Order Granting Motion for Clarification of Commission Orders, in which the Commission identified its specific concerns regarding Bear Lake's 2<sup>nd</sup> Revised Tariff Sheet No. 29.1. Specifically, the Commission indicated that: 1) further evaluation is needed because the proposed language can still be interpreted to allow the Companies to discontinue service unilaterally; 2) it believed the reference to May 31, 2013 should have been deleted or amended; and 3) it may not be just, reasonable, or in the public interest to prohibit an existing emergency line customer from moving his or her service to a different location.

Bear Lake appreciates receiving the August 8, 2013 Order from the Commission. In an attempt to address the Commission's concerns, and to avoid a costly and time consuming

hearing, Bear Lake hereby files a new 2<sup>nd</sup> Revised Sheet No. 29.1, which modifies the proposed tariff language to make it clear that it was never Bear Lake's intent to discontinue a tariffed service without participating in the proper Commission procedure, which would include filing a proposed tariff revision with the Commission for approval. As now drafted, the language cannot be interpreted to permit Bear Lake to unilaterally discontinue the service, and will require that Bear Lake engage in the proper tariff procedures with the Commission.

Additionally, Bear Lake has removed the reference to May 31, 2013, and has made it clear that customers who have emergency line service at the time this tariff revision is approved shall be entitled to retain such service. Finally, the modified language in 2<sup>nd</sup> Revised Sheet No. 29.1 affirmatively provides that grandfathered emergency line service customers are permitted to move their emergency line service to another location.

Bear Lake believes these language modifications address the Commission's concerns as set forth in the August 8, 2013 Order, and will obviate the need for a hearing on August 29, 2013.
