ISSUED: December 30, 2013

By The Commission:

On December 23, 2013, Bear Lake Communications, Inc. (“Bear Lake”) filed an advice letter to update its Garden City exchange tariff map. Bear Lake further requested the Commission waive the 30-day effective date from filing requirement and allow the tariff to take effect January 1, 2014. Bear Lake explains “that the revisions identify and define the existing service area boundaries for the applicable Bear Lake [e]xchange. Therefore, an immediate effective date will benefit subscribers and prospective subscribers in inquiries related to service area boundaries in the Bear Lake [e]xchange.” Advice Letter, filed December 23, 2013 at 1.

On December 27, 2013, in response to a Commission action request, the Division of Public Utilities (“Division”) recommended approval of Bear Lake’s proposed updated Garden City exchange tariff map. See Division Memorandum, filed December 27, 2013. The Division further recommended the change become effective January 1, 2014, as requested by Bear Lake. See id. at 2.

Under Utah Code Ann. § 54-7-12(5)(a), the Commission may grant a tariff change take effect in less than 30 days after the date of filing.
