Re: Notification Regarding a Pro Forma Intra-Corporate Transaction

Dear Mr. Widerbury:

McLeodUSA Telecommunications Services, LLC, PAETEC Communications, Inc., Windstream Communications, Inc., Windstream NTI, Inc., Windstream NuVox, Inc. (collectively, "Windstream Licensees") and Windstream Corporation ("Windstream" and, together with Windstream Licensees, the "Parties"), by undersigned counsel, hereby notify the Commission of a *pro forma* intra-corporate transaction (the "Transaction") that will insert a new holding corporation, Windstream Holdings, Inc. ("WHI"), into the ownership chain above Windstream (the current parent holding company of the Windstream Licensees). It is the Parties' understanding that approval is not required for the *pro forma* Transaction described herein. Accordingly, the Parties submit this letter for informational purposes only to ensure the continuing accuracy of the Commission's records.

Windstream Corporation, a Delaware corporation headquartered at 4001 Rodney Parham Road, Little Rock, Arkansas 72212, (501) 748-7000, is a publicly traded (Nasdaq: WIN) S&P 500 diversified communications and entertainment company. Windstream's subsidiaries provide local and long distance telephone services, data hosting services, broadband and high-speed data services and video services to customers throughout the United States.

In Utah, Windstream's regulated subsidiaries hold the following authorizations:

1. McLeodUSA Telecommunications Services, LLC is authorized to provide local exchange and interexchange telecommunications services pursuant to authority issued in Docket No. 98-2249-01 on May 19, 1998.
2. PAETEC Communications, Inc. is authorized to provide local exchange and interexchange telecommunications services pursuant to authority issued in Docket No. 04-2441-01 on March 30, 2005.
3. Windstream Communications, Inc. is authorized to provide interexchange telecommunications services pursuant to notice dated December 23, 2005.
4. Windstream NTI, Inc. is authorized to provide interexchange telecommunications services pursuant to notice dated November 3, 1995.

5. Windstream NuVox, Inc. is authorized to provide local exchange telecommunications services pursuant to authority issued in Docket No. 11-2538-01 on March 29, 2011.

After the Transaction is undertaken, the Windstream Licensees will remain well-qualified to provide service to their customers, and their operations will continue to be overseen by the same well-qualified Windstream management team with substantial telecommunications experience and technical expertise.

The *pro forma* Transaction will involve the insertion of a new holding corporation, Windstream Holdings, Inc., in the ownership chain above Windstream (the current parent holding company of the Windstream Licensees). The Transaction will occur in three steps. In Step 1, Windstream will form a wholly owned subsidiary, Windstream Holdings, Inc., which will be a Delaware corporation; in Step 2, Windstream Holdings, Inc. will form a wholly owned subsidiary, Mergerco, which will be a Delaware corporation; in Step 3, Mergerco will merge with and into Windstream, with Windstream as the surviving corporation and a wholly owned subsidiary of Windstream Holdings, Inc. (See Exhibit A for a chart illustrating the Transaction.)

As a result of the Transaction, there will be a new publicly traded holding company at the top of the ownership chain. At the time of the Transaction, the existing shares of Windstream stock (which are publicly traded) will be converted into shares of WHI stock on a one-for-one basis. Thus, the existing shareholders of Windstream will continue to be the shareholders of WHI after the Transaction takes place, in the same amounts and percentages as they hold prior to the Transaction. The Transaction will not result in any change in the ultimate beneficial ownership of the Windstream Licensees; current Windstream shareholders will continue to hold the same level of indirect ownership in the Windstream Licensees as they did prior to the Transaction, albeit through a new holding company. As such, the Transaction is purely *pro forma* in nature.

The proposed reorganization of Windstream's corporate structure will provide the company with greater flexibility for future equity and debt transactions, which will increase its access to capital and benefit the Windstream Licensees and their customers. After the Transaction, Windstream (as a second tier company) will be the legal successor of the current parent company's existing obligations, including debt.¹ These changes will give WHI more flexibility to structure future transactions so as to obtain the most favorable tax and accounting treatment. These corporate structure changes will increase the overall company's efficiency and make it more attractive to potential creditors, which should improve its access to debt and equity capital. This, in turn, will enable both the holding company and its operating subsidiaries to keep their cost of capital low.

¹ The Transaction will neither increase nor decrease any outstanding obligations of the Windstream Licensees.
