Re: Global Connection Inc. of America dba STAND UP WIRELESS
Notice of Lifeline Rate Changes

Dear Sir/Madam:

Global Connection Inc. of America dba STAND UP WIRELESS (“Company”) hereby provides notice of changes to its Lifeline offering, summarized in Attachment A attached hereto, in accordance with changes to the Federal Communications Commission’s (“FCC”) minimum service standards effective December 1, 2019.¹

Beginning May 1, 2020, the Utah Enhanced plan will include 800 voice minutes, unlimited text and 3 gigabytes (“GB”) of data, at no net cost to the Lifeline customer after application of Lifeline and Utah USF support. The voice plan option is being removed due to the reduction in federal support for plans meeting only voice (and not broadband) minimum standards; however, no customers are affected by its removal.

If you have any questions regarding this filing, please do not hesitate to contact me at 770-232-7805 or hkirby@telecomcounsel.com.

Respectfully submitted,

/s/ Heather Kirby
