EXHIBIT B

Background and Experience of Management Team

Founded in 1993, Access One has maintained the same ownership since its inception, and this has ensured an unwavering commitment to the Company's founding principles of providing the most reliable business communications services and support in the industry. Under the leadership of Access One's experienced and accomplished executive team, Access One's growth and success has continued every year. Access One received the 2013 Better Business Bureau Torch Award for Marketplace Ethics.

Brian Barkley, Chief Executive Officer

Brian began his technology career in 1990, working as a sales representative for Allnet Communications and Metromedia Communications Corporation. In 2006, he joined the Board of Directors for Chicagoland and Northern Illinois Better Business Bureau. Both Brian and President Mark Jozwiak were inducted into the Chicago Area Entrepreneurship Hall of Fame in 2009. Brian holds a Bachelor's of Science from Iowa State University.

Mark Jozwiak, President and Founder

Mark started his career in telecommunications in 1982 as an inside sales representative with TDX Systems and held several executive sales positions with GTE/Sprint, Metropolitan Fiber Systems and Bell Atlantic. In 2009, both Mark and CEO Brian Barkley were inducted into the Chicago Area Entrepreneurship Hall of Fame. Mark holds a Bachelor's of Arts in International Relations with a minor in Political Science and was awarded an Honors Certificate in Defense and Strategic Studies from the University of Southern California in 1982.

Larry Levy, Senior Vice President and Chief Operating Officer

Larry has served as Access One's Vice President of Finance since 2007. Previously CFO of Devine Sports, he has over 15 years of financial management experience having held positions with Marathon Media, Berryman Communications, HispaniMedia and Chase Broadcasting. Larry holds a Master's Degree in Accounting from the Pace University Lubin Graduate School of Business and a Bachelor of Arts in Economics from Vassar College.

Rick Wagner, Vice President of Engineering

Rick Wagner brings more than 17 years of experience to his role as Vice President of Engineering. Previously, Rick served as the Director of Engineering Operations for Comcast/CIMCO Communications. He was also the Director of Data and Systems at Cincinnati Bell Telephone, where he worked for 12 plus years. Rick holds a B.S. in Electrical Engineering from the University of Cincinnati.

Tom Turner, Vice President of Sales

Tom serves as Vice President of Sales, bringing over 20 years of experience in the telecommunications industry. Prior to joining Access One, he was VP of the Agent Channel at Globalcom, where he launched the agent program and built one of the most successful channel programs in the Chicagoland area. Tom received his Bachelor of Science in Marketing from San Diego State University.

John Hoehne, Vice President of Finance

After serving two years in Access One's finance department, John Hoehne was named Director of Finance in 2011 and promoted to Vice President of Finance in 2012. He has ten years of experience in telecommunications, including previous positions at Allegiance Telecom, Teoco Corporation, and Deloitte Consulting. John holds a B.S. in Finance from DePaul University and an MBA from Kenan-Flagler Business School at the University of North Carolina.

Cindy Kujawa, Vice President of Human Resources

Cindy Kujawa brings more than 20 years of wide-ranging experience and expertise in her role as Vice President of Human Resources. Prior to joining Access One, she served as Vice President, Human Resources for Solucient and Focal Communications. Cindy holds a Masters in Business Administration from DePaul University and a Bachelor of Science degree from the University of Illinois.

J. Israel Greene, Director of Customer Operations

After successfully leading the Service Management group with Access One, Israel was appointed to the Executive Team as Director of Customer Operations. He attended Western Kentucky University where he majored in Theatre and Psychology. In addition to his time with Access One, Israel has over 15 years of telecommunications experience having worked at PAETEC effectively running and building their Account Management teams across the country, as well as years of management experience with carriers such as Sprint and Global Crossing.
