**436 Exchange: Moroni**

Beginning at the NE corner of Section 26, T14S R3E the exchange boundary proceeds south along section lines to the NE corner of Section 23, T15S R3E, where it turns and proceeds east until intersecting with US Highway 89 at the south edge of Section 17, T15S R4E. It follows Highway 89 southward to the south border of Section 11, T16S R3E. The boundary then travels west along section lines to the Sanpete/Juab County border at the SW corner of Section 7, T16S R2E, where it turns north and follows the border to the NW corner of Section 28, T14S R2E. It then turns east, following section lines back to the original starting point.
