Re: Agreement filing in the Matter of the Interconnection Agreement between Qwest Corporation dba CenturyLink QC and BCN Telecom, Inc., per Docket Number 14-049-10

RECOMMENDATION (acknowledge):

The Division recommends that the Commission acknowledge the receipt of this Interconnection Agreement.

EXPLANATION:

On or about March 25, 2014, Qwest Corporation d/b/a CenturyLink QC ("CenturyLink") filed the Interconnection Agreement per the above-referenced docket in accordance with § 54-8b-2.2(1) (d) of the *Utah Code*. This Agreement had been fully executed through voluntary negotiations on March 10, 2014 with BCN Telecom, Inc. ("BCN"). BCN's Certificate of Public Convenience and Necessity was approved by the Commission on September 26, 2013 in Docket No. 13-2566-01.

The Division has reviewed the above-mentioned Agreement between CenturyLink and BCN and sees no reason to reject it. Specifically, the Division believes that the Agreement was negotiated in good faith and without unfair discrimination. Both parties also recognize that, to the extent that the existing rules are changed, vacated, dismissed, stayed or modified, this Agreement and all contracts adopting all or part of this Agreement will be amended to reflect such modification or change of the existing rules. Therefore, the Division recommends that the Commission acknowledge the receipt of this Interconnection Agreement.
