Re: In the Matter of the CenturyLink Local Services Platform (CLSP) Agreement between Qwest Corporation dba CenturyLink QC and IPDatastream, LLC. per Docket No. 14-049-11.

RECOMMENDATION (Acknowledge):

The Division recommends that the Commission acknowledge the receipt of this Extension Amendment to the Local Services Platform Agreement.

EXPLANATION:

On or about March 24, 2014, Qwest Corporation d/b/a CenturyLink QC ("CenturyLink") filed the Extension Amendment to the Local Services Platform Agreement per the above-referenced docket in accordance with § 54-8b-2.2(1) (d) of the *Utah Code*. This Agreement had been fully executed through voluntary negotiations on March 3, 2014 with IPDatastream, LLC. ("IPDatastream").

The Division has reviewed the above-mentioned Agreement between CenturyLink and IPDatastream and sees no reason to reject it. Specifically, the Division believes that the Agreement was negotiated in good faith and without unfair discrimination. Both parties also recognize that, to the extent that the existing rules are changed, vacated, dismissed, stayed or modified, this Agreement and all contracts adopting all or part of this Agreement will be amended to reflect such modification or change of the existing rules. Therefore, the Division recommends that the Commission acknowledge the receipt of this Extension Amendment.
