Re: Docket No. 14-051-01 “In the Matter of the Petition of Beehive Telephone Co., Inc., for an Increase in Rates and Participation in the Universal Telecommunications Service Support Fund”

Dear Mr. Irvine:

This letter is to notify the parties to this docket that the Commission has determined that for ease of administration and clarity, it will retroactively open Docket No. 14-051-T03. This new Docket's Index will contain this letter and a reference to Docket No. 14-051-01, in which Beehive filed both a tariff change to comply with Federal regulations concerning minimum charges for basic telephone service, and a general rate case (requesting participation in the Utah Universal Service Fund (UUSF)).

On November 25, 2014, the Commission issued a Bench Order in Docket No. 14-051-01, authorizing Beehive to implement increases to the monthly charges for a residential access line of \$2.50 and a business access line of \$10.00. The order was subsequently memorialized in the Report and Order, issued on December 9, 2014. The order took effect December 1, 2014, and reflects tariff changes required by Federal regulations.

Docket No. 14-051-T03 shall be used to track any further required activity for the tariff portion of the application in Docket No. 14-051-01. Docket No. 14-051-T03 incorporates by reference all tariff and related filings and orders to date that have occurred in Docket No. 14-051-01. That portion of Docket No. 14-051-01 that pertains to the general rate case pertaining to the request for participation in the UUSF is unaffected by this change.

Sincerely,

/s/ Gary L. Widerburg  
Commission Secretary
