RECOMMENDATION (Approval):

The Division of Public Utilities ("Division") has reviewed the request by Unity Telecom, LLC f/k/a dPi Teleconnect, LLC to have their Certificate of Public Convenience and Necessity ("CPCN") to provide Local Exchange Services in the State of Utah cancelled and recommends the Public Service Commission ("Commission") grant this request.

EXPLANATION:

On or about September 29, 2014, Unity Telecom, LLC, filed with the Commission a request to have their CPCN cancelled. The Division has reviewed this request and found the following:

Unity Telecom, LLC was issued a Certificate to provide telecommunications services in Utah on September 28, 2000 in Docket No. 00-23-20-01. They currently state that they have no customers within the State of Utah. It appears they have complied with the rules for exiting as required under Administrative Rule R746-350.
