Re: Momentum Telecom, Inc.
Request to Cancel Certificate issued in Docket 08-2496-01

Dear Sir:

Momentum Telecom, Inc. holds a certificate to provide telephone service in Utah (Docket No. 08-2496-01). The company offers telephone service in Utah solely via VOIP technology and has no plans to provide service other than through VOIP. Since the Commission does not presently require VOIP carriers to be certified, Momentum respectfully asks that its certificate be canceled.

Please call me at 615-252-2363 if you have any questions.

Sincerely,

Bradley Arant Boult Cummings, LLP
