Hi, this is Wyndee Hansen with the Hole N' The Rock. I am inquiring about the status of my docket 15-041-02. I have not seen any updates posted or received any emails from anyone regarding the case. Frontier says that I am hooked up but today, I have called in a repair tag again. I can't call out long distance and I am having trouble with credit cards. I tried to call the PSC directly for an update, but the call won't go through. I tried to call the contact that I have for Frontier here locally, but the call won't go through. I would like to know the status of the docket since I have not seen any correspondence and I am having phone problems again with both the business line and personal line. Thank you.
