**Re: Utah Docket No. 15-041-T03, TARIFF:** Citizens Telecommunications Company of Utah d/b/a Frontier Communications of Utah filing to standardize the naming of Custom Calling Services and Customized Local Area Signaling Service (CLASS), remove billing codes, introduce Remote Activated Call Forward and grandfather Speed Call 8.

**ISSUE:**

On October 14, 2015 Citizens submitted a filing to standardize the naming of Custom Calling Services and Customized Local Area Signaling Service (CLASS), remove billing codes, introduce Remote Activated Call Forward and grandfather Speed Call 8.

**RECOMMENDATION: Approve tariff filing.**

The DPU reviewed this filing and has no objection to Citizens modifying its tariff in this manner, since this type of change does not affect basic rates and does not require a rate hearing. The Division therefore recommends that it become effective November 15, 2015 as requested.
