RE: Notice of Errata  
Docket No. 15-042-01, In the Matter of Emery Telephone Company's Application for Utah Universal Service Fund Support.

Dear Mr. Widerburg:

The Office has reviewed the direct testimony of Bion Ostrander filed on its behalf on August 14, 2015 in the matter of Emery Telephone Company's Application for Utah Universal Service Fund Support, Docket No. 15-042-01. The Office has identified the following minor errors to be corrected:

- On page 6, line 119, the question mark behind "David" should be removed.
- On page 7, line 140, the period after "customers" should be removed.
- On page 18, line 412. "Fiber/internetrelated" should read "Fiber/Internet-related."
- On page 23, Table BCO-1, under "Allocation of Common Costs", the second line should read "ROR (11.25% Company/8.45% OCS)"
- On page 40, line 842, "DPU 1-6" should read DPU 1-7.

The Office previously indicated that it would supply replacement copies of this direct testimony properly identifying the confidential portions and creating a public, redacted version. These replacement copies will be provided to the Commission shortly and will also contain the correction of the above identified errors. If you have any questions, please contact me at 801-530-6624.

Sincerely,

Danny A.C. Martinez
