Re: Gunnison Telephone Company Access Tariff

Dear Ms. Paschal:

The purpose of this compliance filing on behalf of Gunnison Telephone Company is to reflect the FCC Part 51 Rules 51.907 through 919 concerning the fourth phase of modifying the intrastate access rates. This tariff filing establishes the fourth phase of modifying the intrastate access rates to parity with interstate access rates. In accordance with the FCC directive, terminating switched access rates are revised to be at parity with, or less than, NECA's interstate switched access rates effective July 1, 2015.

I have enclosed an original and five (5) copies, along with a self addressed stamped envelope to return a file copy to our office.

If you have any questions, please contact me at 719-594-5812 or via e-mail at [aholstun@gvnw.com](mailto:aholstun@gvnw.com).

Sincerely,
