Re: Utah Docket No. 15-050-T02, TARIFF: Navajo Communications Company, Inc. d/b/a Frontier Navajo Communications Company filing to standardize the naming of Custom Calling Services and Customized Local Area Signaling Service (CLASS), remove billing codes, introduce Remote Call Forward and Remote Activated Call Forward, and grandfather Speed Call 8 and amend this filing to introduce. 3 Way Calling-Pay Per Use service.

ISSUE:

On October 14, 2015 Navajo submitted a filing to standardize the naming of Custom Calling Services and Customized Local Area Signaling Service (CLASS), remove billing codes, introduce Remote Call Forward and Remote Activated Call Forward, and grandfather Speed Call 8. On October 19 Navajo submitted an amendment to this filing to introduce 3 Way Calling-Pay Per Use service and to modify language on other custom calling features.

RECOMMENDATION: Approve tariff filing.

The DPU reviewed this filing and has no objection to Navajo modifying its tariff in this manner, since this type of change does not affect basic rates and does not require a rate hearing. The Division therefore recommends that it become effective November 15, 2015 as requested.
