Jennie,

I am sending this email on behalf of the parties in this case in response to your request this morning concerning Carbon/Emery's Friday motion. I am copying the other parties/counsel so they can correct any of my misstatements.

I believe your inquiry about the briefing schedule is now unnecessary as the parties have generally agreed that:

- The OCS will withdraw its testimony and proposed adjustment that is the subject of the motion; and
- Carbon/Emery will withdraw its testimony responsive to that issue and its Friday motions

I do not believe we have settled on exactly what motions or filings will be made to effectuate the above but they should be forthcoming. I trust the others on this email will either correct me or indicate their assent. Thanks,

Chris
